

- This form documents both the outcome of a student’s defense and the requested revisions to the master’s paper, thesis or dissertation.
- Forms received more than 14 calendar days after the defense will be denied and the defense must be repeated.
- A negative vote by more than one member of the student’s committee will signify failure of the defense.

Committee Recommendation - Final Defense

The appointed committee has examined the candidate’s competence and knowledge required in the selected field of study. When all other requirements are completed, the committee recommends to the Graduate Faculty that the student be awarded the above-designated degree.
